2010
CE
2010 HDA

The main graffiti piece consists of the word 'SPIN' in a highly stylized, blocky font. The letters are primarily green and purple, with thick black outlines and white highlights. The 'S' is green with purple outlines, while the 'P', 'I', 'N', and 'D' are purple with green outlines. The letters are decorated with various patterns, including dots and lines. To the left of the main piece is a small tag '2010'. Above the main piece are two more tags: 'CE' on the left and '2010 HDA' on the right. The graffiti is painted on a textured, light brown wall. Below the wall is a rough, rocky ground with some green moss or small plants.
